세계적인 권총모터를 정밀적으로 생산하는 독일의 명가 OKIN(오킨)사의 모터를 사용하여 안정적이면서도 부드러운 사용감과 강력한 내구성을 자랑합니다.

Superior Quality - Originated from Germany

For best comfort, the manufacturer of this furniture has selected high quality components manufactured by OKIN. OKIN components are products of fine German engineering and craftsmanship. Their quality is made for durability and reliability.

OKIN adopts the original design style and the advanced technology from Germany with the global inspection standards for raw materials and product qualities. Meanwhile, we introduce production lines and quality inspection labs from Germany to guarantee you a good product.

높은 내구성으로 인정받은 미국 L&P 사의 하드웨어를 사용해 부드럽고 조용한 리클라이너의 움직임은 사용자에게 안정감을 줍니다.

CERTIFICATE OF QUALITY

For ultimate comfort, the manufacturer of this fine furniture has selected quality components manufactured by Leggett & Platt. Leggett & Platt Quality Components pass the test of time, comfort and durability. Manufacturers of fine furniture worldwide look to Leggett & Platt for the best in innovative components.

Through continuous improvements, we will provide innovative solutions that support customers' long-term profitable growth. We will provide high-quality products that meet or exceed customer expectations. We will eliminate nonvalue-added costs from our products and processes, while finding new work methods that are simpler, safer, and more rewarding.

Wir sind Menschen, die auf Feinheiten achten, mit Leidenschaft im Team arbeiten und regional und international kooperieren. Unsere Dekore gestalten die Oberflächen von zahlreichen Holzwerkstoffen, die zu Möbeln oder Fußböden weiterverarbeitet werden und im Innenausbau zum Einsatz kommen. Die Holz-, Stein- und Kreativ-Dekore von Interprint fallen auf durch ihre „Echtheit“. Diese Authentizität gehört auch zur Unternehmenskultur. Bei Interprint arbeiten Menschen mit echter Leidenschaft für Dekore aus weltweit mehr als 30 Kulturen.

SURFACES by INTERPRINT

Unsere hochwertigen Dekorpapiere veredeln die Oberflächen von Holzwerkstoffen und sind echte Raumgestalter. Sie bestimmen die Atmosphäre von Wohn- und Arbeitsräumen, sind die Hauptdarsteller im Ladenbau und werden zu charakterstarken Fußböden. Holz, Stein, Kreativ? - Wir bedrucken das Dekorpapier entweder im klassischen Rotationsdruck oder digital auf der weltweit ersten industriellen Digitaldruckanlage für den Dekordruck.
